Prez's Corner

You will notice that this month's Coastabreeze is considerably shorter than usual. That's because we had very few contributing authors. Alfred Abken and I co-edit the Coastalaire and Breeze. We both write but the most difficult part of being the newsletter editor is getting articles from other authors. Anyone can submit an article about anything related to Porsche, PCA, our Zone 8 events, our region events, our region members, and even anything interesting to our general membership, including your trip to Timbuktu. Historical stories, technical stories, and personal stories are welcome. It's also much appreciated if you would submit photographs of anything related to these events.

You do not have to be a master writer. I edit every submission for grammar, punctuation, and compostion. You do not have to be a master photographer. Smart phone snapshots are great, even if not accompanied by an article. Maybe you took some nice shots while on one of our tours, or while attending one of our autocross or DE events. Maybe you just took a personal trip to someplace beautiful and interesting. Your 911 performed so well, and you fell in love with it all over again. Let's hear about it.

As many a novice comedian has said, "I'm dyin' up here!" Well, we're not exactly dying, but we need your stories, your ears, your eyes, your informative experiences, your creativity, and your enthusiasm. Please contribute.

Board Meetings

CCCR members are welcome to attend the Board Meetings. Time may be made available for non-board members to have input during these meetings. Due to limited time and space, please call Chuck Jennings at 805-459-7416 to let us know you inted to attend.

Tour of the Mullin Museum with Joe Shubitowski

The Mullin and more…..!

June 23, 2018, 8:30 A.M. we meetup at Alfano Motors, 1423 Calle Joaquin in SLO and depart at 9:00 A.M.

Please join your Porsche friends for a Saturday morning drive, with the eventual destination of the Mullin Automotive Museum in Oxnard. The Mullin Museum is world famous for its collection of superb French coachwork built automobiles from the pre-war art deco period including Bugatti, Delage, Delahaye, and Talbot-Lago.

Our route will take us south on the 101 to CA-154 through wine country, Lake Cachuma, and down the San Marcos Pass into Santa Barbara. We have been invited to stop at Santa Barbara Porsche for a rest break, refreshments and snacks, and the unveiling of the new Panamera Sports Turismo at their dealership!

We'll stop for a quick lunch at the Fisherman's Catch seafood grill at the harbor in Oxnard before driving the short distance over to the Mullin for a 1:15 P.M. arrival. We will have reserved parking at the Mullin and a private group tour at 1:30pm.

Prepayment for Mullin tickets is required. Tickets are $16 per person. Please mail a check made out to PCA CCCR to:
Ken Finney
278 Via San Blas
San Luis Obispo, CA 93401

Deadline for receipt of checks and RSVP is June 16, so please do not delay! Since tickets are prepaid, there can be no refunds.

Please also email Joe Shubitowski:
joseph.shubitowski@gmail.com
with the number of attendees so we can keep an accurate count for both the Mullin and the restaurant."

Los Olivos and Fess Parker WineryTour by Ron Green

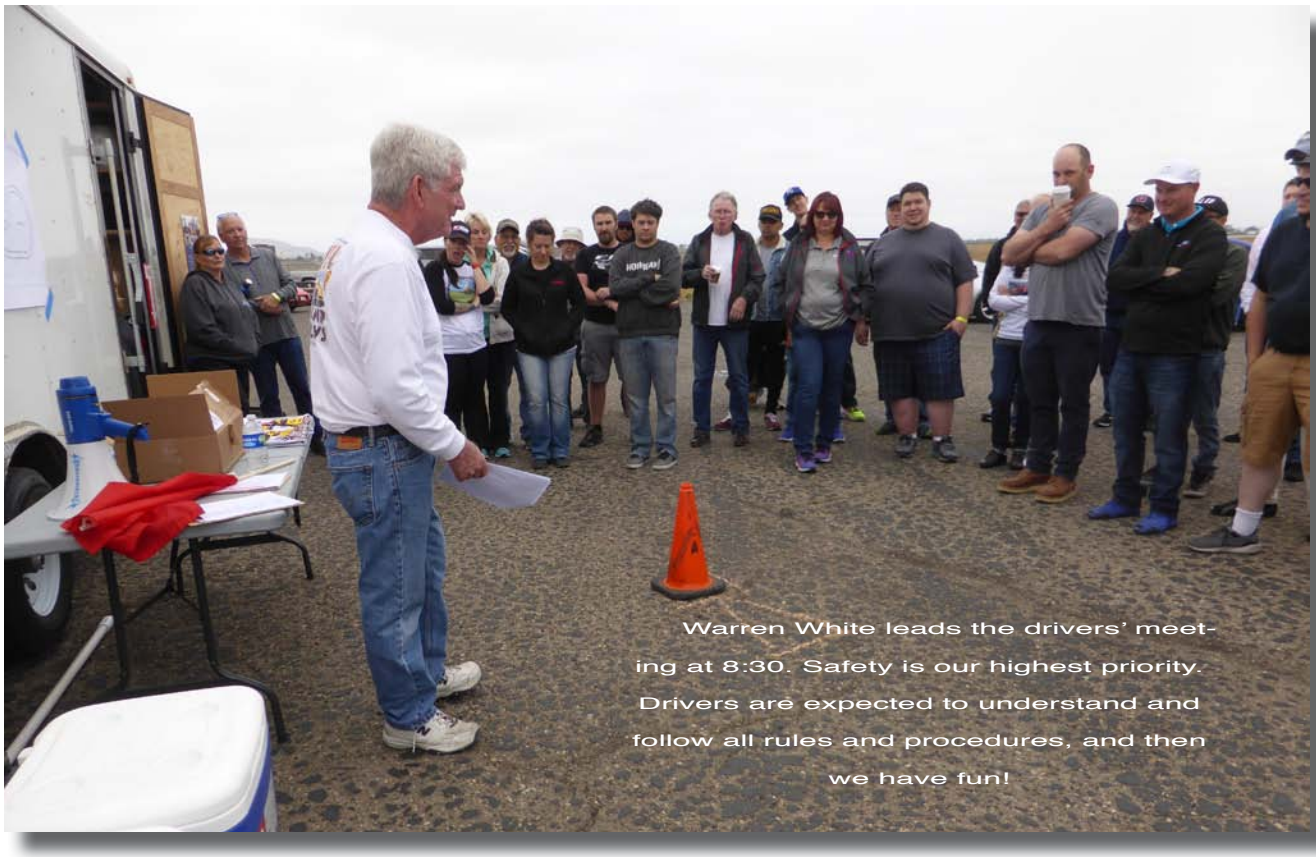
Fellow CCCR members, we hope you will join us for our tour on August 19th. At 8:30 AM we will meet at the Flagship Restaurant's parking lot in Pismo Beach, and depart about 9 AM for our scenic wine country tour. From Pismo Beach, we will depart south on the fun-to-drive Hwy 1, past Grover Beach, Oceano over the mesa, and on to Guadalupe, continuing past Los Alamos to Lompoc. We will have some check points to regroup along the way to keep us all together. In Lompoc we will have a pit stop at Beatie Park for a WC break. Then we'll continue on Hwy 1 south to Hwy 101 north to Hwy 246 at Buellton, through Solvang and on to Los Olivos and the winery about 11:30. There we will take our group photo on the rear parking lot.

Our picnic box lunches will be delivered to the winery at noon from Fess Parker's Bear & Star Restaurant. At the winery we expect to listen to a short history of the winery and learn about their wines and their wine club. We recommend you bring your own soft drinks or bottled water in a small cooler or water can be purchased for a small fee. There are 10 picnic benches that seat 8 per bench; if you'd like to sit on the grass or in case the picnic tables fill up we suggest you bring a blanket. You may book a wine tasting for after lunch if you reserve a time directly with the winery in advance. Their contact number is 800.844.1104. Register with Motorsportreg.com and choose your picnic lunch. The $20/person fee is all inclusive of tax, service and the registration cost. Opening sign-up date: June 1st; Closing Date: August 4th. There will be no cancellations or refunds after August 4th. Minor changes after closing date may be available. Although it will not be as green in August as it was earlier in the year we will still enjoy some of San Luis Obispo and Santa Barbara Counties' most beautiful countryside. Let's enjoy some esprit de corps as we savor a delicious picnic lunch prepared by the chef at Bear & Star Restaurant.

June 16 Autocross at the Santa Maria Airport

Photographs by Alfred Abken

60 drivers paticipated in the autocross with several from other regions in Zone 8 . After the drivers select their parkintg in the pit area and unload their cars, they must have their wheel lugs, brakes, tires, battery, suspension and helmets inspected for safety



Warren White leads the drivers' meeting at 8:30. Safety is our highest priority. Drivers are expected to understand and follow all rules and procedures, and then we have fun!

A classic Targa heads for the finish line. Note the course workers who reset cones that are displaced. All the course workers are also drivers in their assigned session.

That's Mike La Puma in his Cayman S that he purchased from Tom Dobyns. Bernard Jones was the starter for this session.

Bob Bruington in his classic SC leaves the start line heading for the first challenge of the day's course design, a tight "box' of cones that required some careful negotiation

Twin Spyders in the pits.

Guy Ober at the start line with his recently acquired Cayman S. Chuck Jennigs was the starter.

Patrick Kelley locks up his tires in his Lotus Super 7 that does not have ABS He had the fastest time of the day.
