

## **Explanation of Points System**

- We have established a points system to be used in lieu of trophies for each event whereby a participant will earn points in each class for the Championship trophy at the end of the year. However, a class winner decal will be awarded for each event where a participant won, as long as there was competition in their class.
- The 1st place driver in each class will earn 100 points. All others in the same class will earn a percentage of the 100 points depending on how close they are to the winning time. What this means is that everyone who participates, even the last place driver, will get points. Points Method: Percentage (time #/time\*100.000)
- Drivers must participate in at least 3 events that has competition in their class for the year to be eligible for trophies. You may drop two events for championship points. This will be automatically calculated for you.
- If you are a single entry in your class, you will receive 90 show-up points. Those points, however, will not be used to calculate your total points for awards.
- The points classes for Porsches are ccOl though ccl8. Non Porsche classes are opna, opnb & opnc. FUN and Novice classes are not considered for trophies.

## **Trophy Awards for Year End Championship**

2 - 3 Competitors in Class = 1 Trophy

4 - 6 Competitors in Class = 2 Trophies

7 - 9 Competitors in Class = 3 Trophies

10 - 12 Competitors in Class = 4 Trophies

13 + Competitors in class = 5 Trophies

Decals are awarded during the year for 1<sup>st</sup> place only in each class, however, you still must have competition in your class to receive trophies or decals.
