

# CCCR Autocross School Course • May 7, 2022 • Santa Maria, CA

⑥

- All cars start from the grid.
- Drive to the start line and wait until the first skid pad is clear.
- You may drive around the first skid pad as many times as you wish in a clockwise direction.
- After you depart the first skid pad, drive forward to the second skid pad and enter when it is clear.

⑤

- You may drive around the second skid pad as many times as you wish in a counter-clockwise direction.
- After you depart the second skid pad, follow the sweeper around to the slalom course, and proceed onto the slalom if it is clear.
- When you depart the last slalom gate, accelerate hard to the finish line. At the finish line, brake as hard as you can.
- Return to the grid, and wait your turn to enter at the start line.

- After a lunch break, we will setup the course as it will for the autocross on Sunday, May 8.
- After the autocross course is set up, you will be able to drive the autocross course with your instructor as if during competition.
- We will finish the autocross school at 2:00 p.m.
