**Autocross:** Chuck Jennings stated that Jon is doing a stellar job getting MSR set up and is teaching it to Chuck. There will be a practice Autocross session April 10, one day only, and there are 24 people signed up so far. There was a discussion about timing lights and a new laptop. People are starting to volunteer to help out.

**Driver's Education:** Bob Bruington said the next event is Big Willow on March 15, with ten people signed up to date. He has everything set up for Buttonwillow, with five signed up, but it is still early. Laguna Seca has not given a final price yet for the October event. He has added Sanja's spa, SGS, and Santa Barbara Porsche as sponsors. He has tabled the lead/follow instruction for now as it is pretty expensive for our club.

**Activities:** Gil Igleheart said he and Bill have talked over ideas this week. They have planned a Valentine's Day lunch at Hunter Ranch, \$25 on February 13. They are hoping to schedule two drives and one lunch per month. February 20 is lunch at Old Juan's Cantina.

**Newsletter:** Chuck Jennings stated he and Bob are working on the February Coastalbreeze. The January Coastalaire will be coming out soon. He's happy to have activities starting up that will allow more articles in the newsletters. In March-April, Bob will take over the newsletter. Joe also stated the website does not have much content due to limited activities. Joe has uploaded the Pronto template and has to test the autocross laptop to see if they will talk to each other.

**Old Business:** Sanja found the banner. She also needs an invoice from Jon for the Adara sponsorship. Jon and Andy need to meet at the bank, and Andy needs to get the checkbook from Sanja first.
